SUBJECT: Finding of No Significant Impact (FONSI) and  
Necessary Environmental Findings for  
HILMA Greens, LLC – 64 Units – Tarboro, NC  
Guaranteed Rural Rental Housing Program (GRRHP)

The attached environmental assessment for the subject proposal has been prepared and reviewed by the appropriate Rural Development official(s). After reviewing the assessment and the supporting materials attached to it, I find that the subject proposal will not significantly affect the quality of the human environment. Therefore, the preparation of an environmental impact statement is not necessary.

I also find that the assessment properly documents the proposal's status of compliance with the environmental laws and requirements listed therein.
